

## Curriculum Vitae

### Personal Information

---

Name

Dr. Matteo Zanotti Russo

### Scientific Education

---

1991 Graduate in Industrial Chemistry  
University of Bologna, Italy  
110/110 votes

### Work Experience

---

1992 – 2000 Senior Scientific Expert in various manufacturing companies of cosmetic ingredients (Rohm & Haas Italy, 3V Sigma, Res Pharma)  
Inventor of innovative ingredients

- Thickening agents (polymers)
- Plant extracts
- Functional ingredients derived from modification of natural matrices

During this experience I was an inventor of patents in innovative cosmetic ingredients

### Teaching Experience

---

2000 – 2008 Speaker at the School of High Cosmetology organized by the University of Ferrara at Unipro Servizi Srl (consulting company owned the association of cosmetic manufacturers in Italy, Cosmetica Italia)

Courses

- Safety Assessment of Cosmetic Products,
- Cosmetic Formulation (Basic and Advanced courses)

2004 – Today

Teacher at training courses organized by Cosmetica Italia Servizi srl

Courses

- Safety Assessment
- Scientific background of cosmetic formulation
- Good manufacturing practice
- Cosmetic Survey
- Claim sustainability

2003 – 2012

Professor at University of Calabria, Italy – Faculty of Pharmacy

Courses

- Analysis of Cosmetics, Cosmetic Safety Assessment
- Formulation of cosmetic products

2012 – 2014

Professor at University of Pisa, Italy – Faculty of Pharmacy

Courses

- Cosmetic Products

2013 –

Training course to Bulgarian Cosmetic Association BNAEOPC in the frame of cooperation with Cosmetica Italia

- Courses
- GMP
  - Claim Sustainability
  - Safety Assessment
- 2012 – 2017 Training course to Israeli Companies and MoH organized by the Chamber of Commerce of Tel Aviv
- Courses
- EU Regulation
  - Safety Assessment
  - GMP
- 2014 – 2016 Invited Professor at University of Milano-Bicocca, Biotechnology Dept.
- Courses
- Master of Cosmetology
- 2014 – Today Invited Professor at University of Siena, Pharmacology Dept.
- Courses
- Master of Cosmetology
- 2016- Today Invited Professor at University of Roma Tor Vergata, Faculty of Medicine**
- Courses
- Master of nutrition and cosmetics
- 2016 - 2018 Invited Professor at University of Calabria, Faculty of Pharmacy
- Courses
- Master of Cosmetology
- 2017 - Today Invited Professor at University of Genova, Faculty of Biology**
- Courses
- Safety of Cosmetics
- 2019- Today Invited Professor at Shenkar College, Tel Aviv**
- Courses**
- Safety of Cosmetics
- 2022- Today Invited Professor at Sofia University, Bulgaria
- Courses
- Safety of Cosmetics

### Research and Development Experience

---

Collaboration with University of Siena and University of Genoa

- Management of research programs for the development of new technology in the field of cosmetic products

Collaboration with several, cosmetics and raw material manufacturers in field of development of new cosmetics / ingredients / technologies

In touch with 23 Universities involved in cosmetics / raw material issues

- Actively involved in projects with several Universities in Italy (Rome, Siena, Genoa).

## Professional Publications

---

International patents on innovative cosmetic ingredients :  
EP 0 942 936 B1  
Build-up suppressor agents, composition containing them and method of use in polymerization processes

EP 0 870 785 B1  
Cross-linked acrylic copolymers in aqueous emulsion with thickening and suspending properties

EP 0 814 101 A3  
Improved polycarboxylic acid

---

WO 2007/072521 A1

Polymer structure reacting with keratin, synthesis and use thereof

PCT/IT2005/000764, with the registration number 07425276.8

New copolymeric structures reacting with keratin with functional groups

Safety evaluation of traces of nickel and chrome in cosmetics: the case of Dead Sea Mud

Zeevi Ma'or, Ludwik Halicz, Meital Portugal-Cohen, Matteo Zanotti Russo, Federica Robino, Tamara Vanhaecke, Vera Rogiers October 2015 *Regulatory Toxicology and Pharmacology* 73(3)

IFSCC Magazine 3 | 2018 © 2018 International Federation of Societies of Cosmetic Chemists

Marketing Personalized Skincare Products in Accordance with the EC Cosmetic Regulation

---

Peptides for Skin Protection and Healing in Amphibians. Ilaria Demori, Zeinab El Rashed, Viola Corradino, Annamaria Catalano, Leila Rovegno, Linda Queirolo, Sebastiano Salvidio, Emanuele Biggi, Matteo Zanotti-Russo, Laura Canesi, Alessandro Catenazzi and Elena Grasselli. January 2019 *Molecules* 24:347

The “coloring wipes” phenomenon: a peculiar skin pigmentation induced by ascorbic acid observed during lockdown. A. Guglielmo, A. Viridi, C. Vincenzi, M. Zanotti Russo, A. Sechi, A. Patrizi and I. Neri

February 2021 *Clinical and Experimental Dermatology* 46(6)

I contributed to the development of chapter 2 of 9<sup>o</sup> edition Harry's Cosmeticology concerning European and US cosmetic regulation.

<http://www.harryscosmeticology.com/search/label/Harry%27s%209th%20Edition%20Contributors>

2 publications in Scientific Journals (dated back to the research conducted during university)

### Memberships / Institutional Activities

---

- |                      |   |
|----------------------|---|
